Dear _____,

I am very excited to tell you about a camp I am going to this summer. Some of my friends and I are spending a week in Union County volunteering in Providence City Church’s 14th annual Collide Mission Camp. We will be creating projects to cheer up residents of an assisted living facility, working in a community garden and delivering groceries to shut in senior citizens, sorting and organizing closets and shelves for organizations that help provide basic needs to under-resourced families, and many other kinds of service activities. I am excited to have this opportunity to shine Jesus’ light in our community by serving them.

In order to go to the camp, I have to ask at least five people to pray for my friends and me at least once a week from now until the camp and each day we are at camp. Prayer is the most important part of a camp like this because it teaches us to depend on God for everything we will be doing.

I also have to raise a total of \$_____. This covers my meals, and everything else for my trip. My “home base” will be Providence City Church where we will engage in interactive worship, hear biblical teaching, participate in small groups, help prepare dinners, serve in the community, and clean the facility. We will also participate in morning and evening worship and devotion time.

My hope is that you will consider being one of my prayer partners and/or send a donation. By doing this you can help me serve the community in Union County. Whatever you give will help me reach my goal of \$_____. Please pray about how you might support me. You may make your donation by going online to <https://www.providencecitychurch.org/giving> and scrolling to the bottom and clicking make a one time payment. Once you log in, you will then find and click Collide Mission Camp in the drop down menu and make your donation. You may also check the boxes and fill out the information at the bottom of this letter and mail with a check to the children’s director of Providence City Church, Crystal Norman, at 3711 Hayes Road, Monroe, NC 28110. Checks should be made payable to Providence City Church with COLLIDE MISSION CAMP in the memo line (please DO NOT PUT A CAMPER NAME in the memo line...COLLIDE MISSION CAMP will be enough with the following tear off section to credit toward your camper). Also, all donations must be made by Sunday, June 2, 2024.

Thank you for reading this letter and I will write to you after camp and tell you all about the fun we had and the people we served! If you have any questions, feel free to contact me or my children’s director at 704-207-3309.

All for Jesus,
